Instructions

Filing requirements

An IDA must file this form within 30 days of the date the IDA appoints any project operator or other person as agent of the IDA, for purposes of extending any sales and compensating use tax exemptions.

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA need not file this form if the IDA does not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, the IDA must, within 30 days of the change, file a new form with the new information.

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA must, within 30 days, send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. It should attach to the letter a copy of the form it originally filed. The IDA need not send a letter for a form that is not valid merely because the "Completion date of project" has passed.

(e) The SLCIDA hereby appoints and the Company hereby agrees to act on behalf of the SLCIDA, as its Agent, under the terms of this Agreement, to construct and equip the Facility in accordance with the Plans and Specifications.

ARTICLE II: SPECIAL COVENANTS

(b) Notwithstanding any other provisions of this Agency Compliance Agreement, the obligations of Company pursuant to this Section shall remain in full force and effect after the termination of this Agency Compliance Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought, and the payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all expenses and charges incurred by the SLCIDA, or its members, directors, officers, agents and employees, relating to the enforcement of the provisions herein specified.

(c) In the event of any claim against the SLCIDA or its members, directors, officers, agents or employees by any employee or contractor of Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit acts.

Section 2.3 Right to Inspect Facility. The SLCIDA and its duly authorized agents shall have the right at all reasonable times to inspect the Facility.

Section 2.4 Qualification in State. Company, throughout the term of this Agency Compliance Agreement, shall continue to be duly authorized to do business in the State.

Section 2.5. Sales Tax Exemption Letter. SLCIDA will provide to the Company a fully-executed Sales Tax Exemption Letter to evidence the authority conveyed to the Company. Section 2.8 Agreement to File Appointment of Project Operator Information. The effectiveness of an agency appointment by the SLCIDA is expressly conditioned upon the timely execution by the SLCIDA of New York State Department of Taxation and Finance "IDA Appointment of Project Operator or Agency for Sales Tax Purposes" (Form ST-60) for each agent/subagent, contractor(s)/subcontractor(s), contractors/subcontractors of such agents/subagents and to such other parties as the Company chooses

who provide materials, equipment, supplies or services and deliver said form as agent to the SLCIDA (or have the general contractor, if any or other designated subagent execute). Company agrees that it will ensure that the Form ST-60 will be presented to the SLCIDA within twenty-one (21) days, to enable the SLCIDA to fully execute and deliver Form ST-60 to the State Department of Taxation and Finance within thirty (30) days of appointment. The ST-60 cannot be used as an exemption document.

Section 2.9 Agreement to File Annual Statements and Provide Information. In the event that Company has claimed exemptions from sales and use taxes as agent for the SLCIDA, Company shall file with the New York State Department of Taxation and Finance an annual statement of the value of all sales and use tax exemptions claimed in connection with the Facility in compliance with Sections 874(8) and (9) of the New York State General Municipal Law (Form ST-340). Company shall deliver a copy of such annual statement to the SLCIDA at the time of filing with the Department of Taxation and Finance. Company further agrees to deliver and certify or cause to be delivered and certified whenever requested by the SLCIDA such information concerning Company, its finances, its operations, its employment and its affairs necessary to enable the SLCIDA to make any report required by law, governmental regulation or any of the SLCIDA documents. Such information shall be delivered within thirty (30) days following written request from the SLCIDA.

Section 2.10 Agreement to Convey Project Status. Should the project require modification, either by extending the project beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, the Company must provide the circumstances to the SLCIDA within twenty-one (21) days of the change.

Section 2.11 Books of Record and Account; Financial Statements and Documents Retention.

(a) The Company, at all times, agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all transactions and events relating to the business and affairs of Company and any and all records relating to the sales and use tax exemptions claimed in connection with the Facility in compliance with this Agency Compliance Agreement.

(b) The Company must retain for at least six (6) years from the date of expiration of its Contract copies of the (i) Agency Compliance Agreement and (ii) all contracts, agreements, invoices, bill or purchases entered into or made by such Agent using the Sales Tax Exemption Letter and to make all such records available to the SLCIDA upon reasonable notice. This provision shall survive the expiration or termination of this Agency Compliance Agreement.

Section 2.12 Recovery Provisions. In compliance with §875(3) the SLCIDA shall recover, recapture, receive or otherwise obtain from the Company and to any other parties as the Company may designate, or other person or entity State Sales and Use Exemption benefits taken or purported to be taken by any such person to which the person is not entitled or which are in excess of the amounts authorized or which are for property or services not authorized or taken in cases where such agent or project operator, or other person or entity failed to comply with a material term or condition to use property or services in the manner required by the Company through this Agency Compliance Agreement. The Company shall cooperate with the SLCIDA in its efforts to recover, recapture, receive or otherwise obtain such State Sales and Use Exemption benefits, and the Company shall promptly pay over any such amounts to the SLCIDA that it requests. Failure to pay over such amounts to the SLCIDA shall be grounds for the New York State Commissioner of Taxation and Finance to assess and determine State Sales and Use taxes due as a result of this violation, together with any relevant penalties and interest due on such amounts. This provision shall survive the expiration or termination of the Agency Compliance Agreement.

Section 2.13 Identification of Equipment. If any equipment is to or may become the Property of the SLCIDA pursuant to the provisions of this Agency Compliance Agreement then such equipment shall be properly identified by Company by such appropriate records, including computerized records, as may be

approved by the SLCIDA. All Equipment and other Property of whatever nature affixed or attached to the Land or used or to be used by Company in connection with the Facility shall be deemed presumptively to be owned by the SLCIDA, rather than Company, unless the same were utilized for purposes of construction of the Facility or were installed by Company and title thereto was retained by Company in a manner provided subsequent to any Lease Agreement and such Equipment and other Property were properly identified by such appropriate records as were approved by the SLCIDA.

Section 2.14 Depreciation Deductions and Investment Tax Credit. The parties agree that, as between them, Company shall be entitled to all depreciation deductions with respect to any depreciable property comprising a part of the Facility and to any investment credit with respect to any part of the Facility.
