Corning Inc./Corning Property Management Corporation - *Project Number, 4001-19-03*
 Resolution No. IDA-19-03-13
March 26, 2019

WHEREAS, the St. Lawrence County Industrial Development Agency (the "SLCIDA") is authorized and empowered by Title 1 of Article 18-A of the General Municipal Law of the State of

New York (the "State") as amended, and Chapter 358 of the Laws of 1971 of the State, as amended (collectively, the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreation facilities, including industrial pollution control facilities, railroad facilities and certain horse racing facilities, for the purpose of promoting, attracting, encouraging and developing recreation and economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living, and to prevent unemployment and economic deterioration, and

WHEREAS, Corning Inc./Corning Property Management Corporation (the "Company") has submitted an application (the "Application") to the SLCIDA requesting the SLCIDA's assistance with the project, the terms and conditions of which are described in **Exhibit A**, attached hereto and made a part thereof, and as may be more thoroughly described within the Application, and

WHEREAS, there has been enacted into law Article 8 of the New York Environmental Conservation Law, Chapter 612 of the 1975 Laws of the State of New York, as amended (the "Environmental Act"), which provides for the review of certain "actions" undertaken by State and local agencies for purposes of regulating such activities in order for proper consideration be given to the prevention of environmental damage, and

WHEREAS, provision of economic assistance to industrial projects by the SLCIDA is an "action" as that term is defined in the Environmental Act, which must be evaluated by the SLCIDA to determine its environmental effect, and in accordance with the Environmental Act, the SLCIDA conducted an environmental review of the project, a draft of which is attached hereto as **Exhibit B**, and

WHEREAS, it is contemplated that prior to taking any action the SLCIDA will (i) accept the Company's application for financial assistance in the form of a Sales and Use Tax Exemption; (ii) accept and adopt findings pursuant to SEQRA;

NOW, THEREFORE, BE IT RESOLVED by the members of the St. Lawrence County Industrial Development Agency as follows:

Section 1. The Company has presented an Application in a form acceptable to the SLCIDA. Based upon the representations made by the Company to the SLCIDA in the Company's application, the SLCIDA hereby finds and determines that:

(A) By virtue of the Act, the SLCIDA has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The SLCIDA has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the SLCIDA will induce the Company to develop the Project in St. Lawrence County, New York, and otherwise furthering the purposes of the SLCIDA as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of

the State of New York (the “State”) to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the SLCIDA hereby finds that, based on the Company’s application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

Section 2.

- (A) Intentionally omitted; and
- (B) Intentionally omitted; and

Section 3. The SLCIDA has reviewed the SEQR assessment and its findings for the Project and hereby confirms and determines that the Project will not result in any significant adverse environmental impacts.

Section 4. The officers, employees and agents of the SLCIDA are hereby authorized and directed for and in the name and on behalf of the SLCIDA to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the SLCIDA with all of the terms, covenants and provisions of the documents executed for and on behalf of the SLCIDA.

Section 5. These Resolutions shall take effect immediately.

The question of the adoption of the foregoing resolution was duly put to vote on roll call, which resulted as follows:

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Although there is an encroachment to wetlands. The proposed construction of a 16,000 Sq Ft Annealing/Mason Shop Building, will be on land previously disturbed and have been filled and paved over. This encroachment is being addressed separately and directly with New York State Department of Environmental Conservation.

- Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
- Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
