WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”) and the regulations (the “Regulations”) adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, “SEQRA”), the Agency has been informed that (1) the Town of Madrid Planning Board (the “Planning Board”) was designated to act as “lead agency” with respect to the Project, and (2) the Planning Board issued a Determination of Non-Significance on April 2, 2020 (the “Negative Declaration”) determining that (a) the acquisition, construction and installation of the Project Facility will result in no significant adverse impacts on the environment and (b) an environmental impact statement need not be prepared with respect to the Project;

NOW, THEREFORE, BE IT RESOLVED by the St. Lawrence County Industrial Development Agency as follows:

Section 1. The Agency has reviewed the Application, the EAF and the Negative Declaration (collectively, the “Reviewed Documents”) and, based upon its review of the Reviewed Documents:

(A) The Agency hereby ratifies and concurs in the designation of the Planning Board as “lead agency” with respect to the Project under SEQRA (as such quoted term is defined in SEQRA);

(B) The Agency hereby determines that the Agency has no information to suggest that the Planning Board was incorrect in determining that the Project will result in no significant adverse impacts on the environment pursuant to the SEQRA and, therefore, that no environmental impact statement need be prepared with respect to the Project (as such quoted phrase is used in SEQRA).; and

(C) The Chief Executive Officer of the Agency is hereby directed to notify the Planning Board of the concurrence by the Agency that the Planning Board shall be the “lead agency” with respect to the Project, and to further indicate to the Planning Board that the Agency has no information to suggest that the Planning Board was incorrect in its determinations contained in the Negative Declaration.

Section 2. The law firm of Hodgson Russ LLP is hereby appointed Special Counsel to the Agency with respect to all matters in connection with the Project. Special Counsel for the Agency is hereby authorized, at the expense of the Company, to work with the Company, counsel to the Company, counsel to the Agency and others to prepare, for submission to the Agency, all documents necessary to effect the transactions contemplated by this resolution. Special Counsel has prepared and submitted an initial draft of the Agency Documents to staff of the Agency.

(C) The Project site is located entirely within the boundaries of St. Lawrence County, New York (the “County”);

(D) The Project Facility does not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one third of the total cost of the Project Facility;

(E) The completion of the Project Facility will not result in the removal of a plant or facility of the Company or an occupant of the Project Facility from one area of the State of New York to another area of the State of New York or in the abandonment of one or more plants or facilities of the Company or an occupant of the Project Facility located in the State of New York;

(F) The granting of the Financial Assistance by the Agency with respect to the Project will promote and maintain the job opportunities, general prosperity and economic welfare of the citizens of the County and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act;

(G) The Agency has reviewed the Public Hearing Report and has fully considered all comments contained therein;

(H) The Deviation incentivizes the Company to complete the Project, which is expected to have a material positive impact on further economic development projects in the Town of Madrid and the County; and

Section 3. The Agency has assessed all material information included in connection with the application for financial assistance submitted by the Company, including but not limited to, the cost-benefit analysis prepared by the Agency and such information has provided the Agency a reasonable basis for its decision to provide the Financial Assistance to the Company.

the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisitions are hereby approved, ratified and confirmed.

Section 6. The Agency is hereby authorized to acquire, construct, reconstruct and install the Project Facility as described in the Lease Agreement and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition, construction, reconstruction and installation are hereby ratified, confirmed and approved.

Section 7. (A) The Chairman, Vice Chairman or Chief Executive Officer of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agency Documents, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same, all in the forms thereof as the Chairman, Vice Chairman or Chief Executive Officer shall approve, the execution thereof by the Chairman, Vice Chairman or Chief Executive Officer to constitute conclusive evidence of such approval.

(B) The Chairman, Vice Chairman or Chief Executive Officer of the Agency is hereby further authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to the Lease Agreement).

Section 8. The Agency hereby (i) approves the Deviation and (ii) authorizes and approves the following economic benefits to be granted to the Company in connection with the renovation, improvement and equipping of the Project Facility in the form of the abatement of real property taxes as set forth in the PILOT Schedule attached as Exhibit D hereof.
