(E) The completion of the Project Facility will not result in the removal of a plant or facility of the Company or an occupant of the Project Facility from one area of the State of New York to another area of the State of New York or in the abandonment of one or more plants or facilities of the Company or an occupant of the Project Facility located in the State of New York;

(F) The granting of the Financial Assistance by the Agency with respect to the Project will promote and maintain the job opportunities, general prosperity and economic welfare of the citizens of the County and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act;
