

ST. LAWRENCE COUNTY INDUSTRIAL DEVELOPMENT AGENCY

Resolution No. IDA-25-02-02

February 18, 2025

**SUPPORT FOR THE CONTINUED OPERATION OF THE NEW YORK STATE  
CORRECTIONAL FACILITIES IN ST. LAWRENCE COUNTY**

**WHEREAS**, St. Lawrence County has a long history of seeking, welcoming, and supporting New York State Correctional Facilities, and

**WHEREAS**, this support of the New York State Correctional system enabled the State to find locations for its facilities at times when other communities were not willing to accept these facilities, and

**WHEREAS**, the New York State Correctional Facilities in St. Lawrence County continue to enjoy unmatched local support from not only the host communities of Gouverneur and Ogdensburg, but also from the greater St. Lawrence County and North Country regions, and

**WHEREAS**, the New York State Correctional Facilities in St. Lawrence County have distinguished themselves for decades due to the safety, efficiency, unique programming for incarcerated individuals, and the overall high standards of their operations, and

**WHEREAS**, the two correctional facilities combined provide over \$60 million in payroll and provide for over 700 jobs, and

**WHEREAS**, the employees of the local correctional facilities reside in the North Country, make purchases here, and support our local businesses, hospitals, and schools, thereby contributing to the local economy and making our region a better place to live and raise a family, and

**WHEREAS**, with higher property values and more robust environments for commercial activity other areas of the State offer more opportunity for the adaptive reuse of closed facilities, and

**WHEREAS**, such facilities, in more expensive areas of the State, have historically been easier to redevelop, in so doing add to the tax base and economic vitality of the State, and

**WHEREAS**, there are already 500,000 square feet of abandoned State-owned buildings in St. Lawrence County which were formerly part of the St. Lawrence Psychiatric Center as well as another 500,000 square feet of vacant space at the recently closed Ogdensburg Correctional Facility, and

**WHEREAS**, these buildings, left abandoned and unused, provide no economic value either locally or to the State and, along with an additional six other closed state prisons in the North Country, are a clear demonstration of the difficulty repurposing closed State facilities in this region, and

**WHEREAS**, the additional loss of jobs and payroll if another State Correctional Facility were to close in St. Lawrence County would be another devastating blow to what is already one of the most economically distressed areas of New York State, and

ST. LAWRENCE COUNTY INDUSTRIAL DEVELOPMENT AGENCY
