Resolution IDA-26-03-07: Adopting the 2025 Audit: The final audit was provided to the board for review. Deadline to submit the report in PARIS is March 31st. This year's audit was conducted by EFPR Group. There were no findings and no disagreements with management. A separate Audit and Finance Committee Meeting will be held with the auditors soon. Once reports are submitted to New York State, copies will be forwarded to the St. Lawrence County Board of Legislators and posted on the IDA website. Mr. LaBaff motions to approve Resolution IDA-26-03-07, seconded by Mr. Reagen. The motion is approved by unanimous vote.

Annual Mission and Performance Report and Assessment of IDA Projects: This is a compilation of all the annual project activity that gets reported through the Public Authorities Reporting System ("PARIS"). Mr. Kelly adds there were 50 active projects reported in the PARIS system for the St. Lawrence County IDA and provides performance measurement results from the projects contained in the 2025 Annual Assessment of Active IDA Projects report. In the review, Mr. Kelly mentions the total project value for IDA projects alone is \$336 million.

Further in the report, Mr. Kelly adds that there are various exemptions reported, job creation numbers, and notes indicating the status of each project. The IDA provided \$148,000 in Sales and Use and/or Mortgage Recording Tax Exemptions, a little over \$3 million in property tax exemptions, and the taxing jurisdictions collected about \$1,222,000 in PILOT payments. Prior to IDA involvement, the applicants showed a total of about 725 jobs with plans in the application phase to create 141 more jobs. Mr. Kelly reports the overall job portfolio shows 890 jobs at the end of 2025, showing an increase of 174 jobs, which is 33 more jobs than what the projections had indicated.

Across these 50 projects, the IDA added 297,000 square feet of new space to the property tax roll in St. Lawrence County. Prior to IDA involvement, the property assessment was about \$2.1 million. The assessed value now, including solar projects, accounts for an increase of about \$35.5 million. This is a significant increase as we talk about job retention, job creation, and increasing the tax base. Through solar projects we've seen an increase of 117 megawatts of clean, renewable energy production. Mr. Kelly adds that these highlights will be provided on the IDA website for public viewing. Discussion ensues and Mr. Reagen adds that there is much more value in this information than PILOT payments, it's the job creation and retention, and growth opportunities for our local businesses.

Copies of these reports also go to the St. Lawrence County Board of Legislators. Staff also distribute the Annual Report document to various stakeholders throughout the County. Mr. Hall comments that the Annual Assessment of Project Activity is a very well-coordinated report. He commends staff for the amount of work that went into providing such a thorough report. Mr. Reagen motions to approve the Annual Mission and Performance Report and Assessment of IDA Projects, seconded by Mr. LaBaff. The motion is approved by unanimous vote.

Resolution IDA-26-03-08: Project Modification: Cives Steel, Northern Division: The project was approved in April 2025. After discussions with the company, a further assessment of the project shows the benefited project amount of the project and time to complete the project need to be increased. Mr. Kelly notes the company has added 10 jobs since the application phase in 2025. Mr. Reagen applauds the company for the 149 jobs and for providing structural steel for major projects throughout the northeast. Mr. LaBaff motions to approve Resolution IDA-26-03-08, seconded by Mr. McMahon. The motion is approved by unanimous vote.

EXECUTIVE SESSION: At 1:28 pm, Mr. Kelly requests a motion to go into executive session. Mr. McMahon/Mr. Hall motion/second, to go into executive session. The motion is approved by unanimous vote. Mr. Hall/Mr. Reagen motion/second to return to regular session at 1:49 pm. The motion is approved by unanimous vote.

OLD BUSINESS: None

ADJOURNMENT: A motion to adjourn is made by Mr. LaBaff/Mr. Hall. The meeting adjourns at 1:49 PM by unanimous vote.
